

FE college staff say...

Use your vote – make sure you have your say in the UNISON college pay ballot

FE college employers have made a pay offer for 2017/18 of 1% or £250, whichever is greater. We want to know your view of their offer.

UNISON recommends rejection of this year's pay offer.

If you're a UNISON member, look out for the email from us giving you the chance to vote in our e-ballot and have your say on pay.

UNISON is calling on all FE colleges to #PayUpNow – give your staff a fair and decent pay rise and address the pay lost from the past eight years.
